*This is included with a bundled offer along with the video class **Table Saw Essentials**. It will be shipped to you when you purchase this special bundle.*

WIXEY DIGITAL CALIPERS WITH FRACTIONS

The large easy to read display reads in inches with fractions or millimeters. The fractions are displayed using "Precise Fraction Technology".

The Wixey Digital Calipers with Fractions is a precision stainless steel caliper that displays measurements in inches with fractions or millimeters. The fractions are displayed using "precise fraction technology" which gives extremely accurate fraction readouts. This caliper is constructed of high-quality hardened and ground stainless steel components featuring a large easy-to-read display. The precision ground measuring faces allow for outside, inside, depth and step measurements. Battery is included. Also includes carrying case.

MEASURING LENGTH:

- 6 in. (155mm)

RESOLUTION:

Decimal = .001 in.

Fraction = 1/64 in.

Metric = .05 mm

ACCURACY:

Decimal = +/- .001 in.

Fraction = +/- 1/500 in.

Metric = +/- .05 mm
