*This is included with a bundled offer along with the video class **Fundamentals of Furniture Making**. It will be shipped to you when you purchase this special bundle.*

FASTEDGE CLAMP

Adjustable tension & non-marring clamps, perfect for cabinet building!

Applying edgebanding to 3/4" shelves can be a real pain. Stop The struggle with the Fastedge Clamp. They securely hold your shelf in place allowing you to use both hands to install edgebanding. A great tool to have if you're serious about furniture and cabinet making.
